Dear Shareholders,

Under the current lockdown situation and the continued uncertainty due to the COVID-19 global pandemic, various postal services including courier services have got severely affected and suspended. As a result, our ability to communicate with you will remain impacted. Recognizing the situation, the Ministry of Corporate Affairs has recently issued notifications that permit most of the communications to shareholders through their registered email addresses.

We urge all our shareholders who have not registered their email addresses with the Company/Depositories to do so forthwith in order to receive all communications promptly without any disruption. Updating the correct email address in the records will help us to communicate with you effectively, especially during these challenging times.

For this purpose, we request all our shareholders to complete their KYC and update all their documents including email addresses, Phone No., Permanent Account Number, Bank account details etc. In order to update the same you can click on the below mentioned link by quoting your Folio No./ DP/ Client ID, Certificate No., PAN, Mobile No., E-mail Id along with a self attested copy of your PAN Card/ Aadhar Card/ Valid Passport/ Share Certificate etc.:

https://linkintime.co.in/EmailReg/Email_Register.html

The shareholders holding shares in electronic mode are also requested to complete their KYC and register/ update their email addresses, Permanent Account Numbers, Bank account number with the Depository Participant where their respective demat accounts are maintained.

Please note that updating bank account details will enable the Company to facilitate electronic credit of dividend amount, as and when declared, going forward. In order to register the bank account details in your folio, kindly contact your Depository Participant or our Registrar & Transfer Agents, M/s Link Intime India Private Limited.

We request your cooperation in this regard.

Thanking You

For Whirlpool of India

Roopali Singh
Company Secretary
