India's Industrial Production grew 1.2 per cent in May, mainly due to an uptick in consumer durables output. According to data, output of consumer durables, which includes white goods such as television, refrigerators and washing machines grew 6 per cent in May compared to a contraction of 3.9 per cent in the same month a year ago. Shares of Voltas, Videocon, Whirlpool of India, Symphony, Godrej India, Sharp India and Blue Star may remain in focus.
