Whirlpool expands its presence in built in appliance segment by introducing premium range of "KitchenAid". Its recently launched 28 new products in the category of domestic home appliances includes Vacuum Machine, for food preservation using the Sous Vide technique; Steam Oven, for cooking and reheating food; Shock Freezer, for rapid chilling and freezing; Microwave Ovens with Sensor Cooking, Cooking Hobs with Temperature Settings and many more.

There can be no other person better than Chef Kunal Kapur introducing the range of KitchenAid with a Live Cooking Session. Being an author of A Chef in Every Home: The Complete Family Cookbook, Chef Kunal Kapur clearly defined the objectives of Kitchen Aid.

KitchenAid, a leading kitchen appliance brand in Europe and USA has been providing a complete product line i.e. From utensils to appliances large and small that offer professional performance and are designed for the passionate gourmet for close to a century now. In India, the brand already has its presence in 'Small Domestic Appliance (SDA) segment, which includes countertop appliances such as Stand Mixer, food processor, toasters and blenders that were launched in 2013 in India.

Kitchen Aid also features the advanced 6TH SENSE Technology – which intuitively senses ones needs and adapts to the culinary techniques. In other words, the appliances contain intelligent sensors and features that make your life simpler and revolutionize the way you cook. The intelligent 6TH SENSE Technology orchestrates whole cooking process, observes the energy output, adjusts the cooking time and keeps everything in your control.
