

Who moved my market on Friday

http://articles.economictimes.indiatimes.com/2016-02-05/news/70373426_1_eicher-motors-consolidated-pat-rs-530-cr

The listed universe of our equity market keeps swinging back and forth, reacting to diverse cues. But, it's the creme de la creme that define the market trend, influence investor sentiment and drive portfolio allocations day in and day out.

In this space, ETMarkets.com tracks the elite 30 from the Sensex pack, 50 from the nimble Nifty LIVE, the newsmakers and top market movers to help you understand why the market moved the way it did, and what you should read into it.
